

## Jefferson County WA - Ballot drop box locations:

Ballot drop boxes are the most secure method to ensure ballots are received on time.

Drop boxes are white with red and blue lettering. They are emptied regularly by two elections staff members. The boxes are opened the day ballots become available (approximately 20 days prior to the election), and remain open until 8:00 p.m. on Election Day. A stamp is not required because the ballot is not going through the U.S. Postal system.

Following is a list of the Jefferson County drop box locations and when they are accessible. There is a map link next to each location.
